Lunch & Learn

Exploring the NIH Diversity Supplement
An Underutilized Tool for Diversifying Health Research Teams

April 14, 2021
12:00pm - 1:00pm
Zoom: https://bit.ly/3uao1HZ

Presenters: Lou Hurst and Rachel Noble-Varney, PDO

Panelists: Dr. Carrie Oser, Dr. Danelle Stevens-Watkins, Dr. Brian Noehren, Dr. Charlotte Peterson, and Dr. Jean Fry

This Lunch & Learn will provide an introduction to the NIH Research Supplements to Promote Diversity in Health-Related Research. This workshop is targeted to NIH-funded investigators looking to grow their team, diverse candidates interested in NIH funding, and those who work in biomedical education and training.
